#### C. Pēpi-Snug™ (an under the arm extra layer of merino for babies in cooler conditions)

Each year, we try to supply the Pēpi-Snug™ as a promotional tool to acknowledge positive Safe sleep parenting practices. In 2016 we acknowledged *breastfeeding* role modelling. IN 2017 it was *pillow awareness* in relation to safe infant sleep. Some DHBs like to purchase supplies over and above these promotions so we have costed these below for current merino prices.
