Pēpi-Pod® Programme components

NB: Pēpi-Pod® sleep spaces are not sold in isolation of the education and monitoring requirements that make up the complete programme and so costings are for supplying the complete programme.

From Jan 2021 Merino blankets will **increase** to \$30.00/blanket when ordered separately from the full package of pod, mattress, sheets and blanket. This is due to the increased cost of merino.

C. Pēpi-Snug™ (an under the arm extra layer of merino for babies in cooler conditions)

Each year, we try to supply the Pēpi-Snug™ as a tool to acknowledge positive Safe sleep parenting practices. In 2016 we acknowledged *breastfeeding* role modelling. IN 2017 it was *pillow awareness* in relation to safe infant sleep. Some DHBs like to purchase supplies over and above these promotions so we have costed these below for current merino prices.
